INFLUENTIAL WOMEN'S DAY EVENT

May 10th, 2024

The Influential Women's Day event is an event where students will celebrate the most influential women in their lives.

This woman will take part in an activity with the student in their classroom.

We truly hope all can make it to celebrate!

Please refer to the schedule for the time of your child's event.

Dear Families,

We are excited to share that on May 10th, we will be celebrating the Influential Women in our students' lives with an in-person classroom event!

To plan for the morning's activities, we kindly request that you send in photos of the women who love and support your children! This includes family members as well as cherished friends who make up your extended family—anyone who has been a positive impact in your child's life is welcome to be included.

We will be displaying photos in class for students to use in a share-out activity, and some will be used for a craft activity as well. Please place photos in an envelope and label the backs of photos to identify the people in them by name and relationship/title.

Example: Ms. Alice,
Great-Aunt of Michael G.

Photos will be returned following the event.

Thank you in advance for helping us to honor the wonderful women in our students' lives!
